

**Information on the Organisation and Technical Requirements for the Participation in the 22nd
Annual General Meeting on Tuesday, 8 June 2021, at 12:00**

The convening notice for the Annual General Meeting of S&T AG (the "**Company**") on **Tuesday, 8 June 2021**, at **12:00**, was published on **7 May 2021**.

Virtual Annual General Meeting

For the protection of shareholders and other participants, the Management Board has decided to make use of the legal provisions for holding a virtual Annual General Meeting.

The Annual General Meeting of S&T AG on **8 June 2021** will be held as a virtual annual general meeting pursuant to the Austrian Company COVID-19-Act (*COVID-19-GesG*) and the Austrian Company COVID-19-Regulation (*COVID-19-GesV*), both as amended.

Therefore, shareholders and their representatives (with the exception of special proxies) cannot be physically present at the 22nd Annual General Meeting of S&T AG on **8 June 2021**, so as to not endanger the health of the participants.

The virtual Annual General Meeting will be held at Brehmstraße 10, 1110 Vienna, exclusively in the physical presence of the Chairman of the Supervisory Board, the Chairman of the Management Board, other members of the Management Board, the certifying notary public and the four special proxies appointed by the Company.

By holding the Annual General Meeting as a virtual annual general meeting, the Management Board believes that the interests of the Company and the interests of the shareholders have been taken into account to the greatest extent possible.

We expressly note that it is **not possible for shareholders to come to the venue of the Annual General Meeting**.

Broadcast of the Annual General Meeting

The virtual Annual General meeting will be broadcast in its entirety online, so that all shareholders can follow it on **8 June 2021** from **12:00**, Vienna time, at "<http://www.snt.at>".

Due to the broadcasting of the virtual Annual General Meeting **online**, all shareholders will have the opportunity to follow in real time the **course of the Annual General Meeting**, in particular the presentation of the Management Board, the answers to the shareholders' questions and the voting, through an audio and visual one-way connection. No registration or login is required.

The **technical requirements** for shareholders are a stable internet access or a strong internet connection, as well as a device capable of connecting to the internet, which has an HTML5-capable internet browser with activated Javascript and is capable of reproducing the sound and video of the broadcast (eg computer, laptop, tablet, smartphone, etc).

Exercise of Voting Right as well as the Right to Make Motions and the Right to Raise Objections Through Special Proxies

Pursuant to section 3 para 4 of the Austrian Company COVID-19-Regulation (*COVID-19-GesV*), only one of the special proxies named below, which is independent of the Company and whose costs are borne by the Company, may make a proposal, cast votes and raise an objection at this virtual Annual General Meeting of S&T AG on **8 June 2021**.

Each shareholder, which is entitled to participate in the Annual General Meeting and has proven so to the Company in accordance with the convening notice (see item IV of the convening notice), has the right, **in order to exercise its voting rights as well as the right to make motions and the right to raise objections, to appoint one of the special proxies named below.**

other persons to exercise other rights, in particular the **right to information and the right to speak**, is **permissible**.

The above provisions on the granting of proxy apply *mutatis mutandis* to the revocation of the proxy. If the proxy is revoked after **4 June 2021, 16:00, Vienna time**, we recommend sending the revocation by email to the special proxy concerned or by telefax, as otherwise timely receipt cannot be guaranteed.

Instructions to the Special Proxies

The special proxies will exercise the voting rights as well as the right to make motions and the right to raise objections only based on instructions. If no instructions are available for a proposed resolution, the special proxy will abstain from voting. The special proxy will also abstain from voting on resolutions for which unclear instructions have been issued (eg simultaneously FOR and AGAINST the same resolution).

The shareholders are requested to issue their instructions to the elected special proxy in the field provided in the proxy form, which will be available on the Company's website at www.snt.at or <https://ir.snt.at/> no later than **18 May 2021**. A form for issuing the instructions is available together with the proxy on the Company's website at www.snt.at or <https://ir.snt.at/>. We kindly ask you to send the instructions **by email** to the above-stated address of the special proxy of your choice. This gives the special proxy of your choice immediate access to the instructions.

The instructions can be issued together with the granting of proxy or at a later date. Instructions on the exercise of the voting rights as well as the right to make motions and the right to raise objections may be issued before or **during the Annual General Meeting up to the point determined by the chairman in each case**. Up until then shareholders have the opportunity to amend instructions already issued or to issue new instructions.

Since it cannot be guaranteed that the special proxies will be **reachable by telephone during the Annual General Meeting**, due to the potential large volume of simultaneous contact requests, **only emails** to the above-stated email address of your special proxy should be used as a mean of communication.

The person (name/company name, date of birth/company register number of the shareholder) must be stated in each email and the end of the declaration must be made recognisable by signature or otherwise, eg by stating the name/company name (section 13 para 2 of the Stock Corporation Act (*Aktiengesetz*)). In order to enable the special proxy to verify the identity of the shareholder and to match with the deposit confirmation, we kindly ask you also to state your deposit number in the email.

It should be noted that it **may be necessary to briefly interrupt the virtual Annual General Meeting** in order to correctly process the shareholders' instructions to the special proxies received during the Annual General Meeting.

Shareholders' Right to Information and to Speak

Each shareholder, upon request, shall be provided at the Annual General Meeting with information regarding the affairs of the Company to the extent such information is necessary for the proper evaluation of an agenda item.

The **right to information and to speak may only be exercised by sending an email** to the email address fragen.snt@hauptversammlung.at, which has been exclusively set up for this purpose, provided that the shareholders have submitted a deposit confirmation within the meaning of section 10a of the Stock Corporation Act (*Aktiengesetz*) and have appointed a proxy. Please use the **questionnaire**, which will be available at the website of the Company at www.snt.at or <https://ir.snt.at/> from **18 May 2021** at the latest, and attach the completed and signed questionnaire to the email.

In case the **questionnaire is not** used for questions or contributions, please **state the person** (name/company name, date of birth/company register number of the shareholder) and the end of the declaration must be made **recognisable by signature** or otherwise, eg by stating the name/company name (section 13 para 2 of the Stock Corporation Act (*Aktiengesetz*)). In order to enable the Company to verify the identity of the shareholder and to match with the deposit confirmation, we kindly ask you to state your **deposit number** in the email.

In the event the right to information and/or to speak is exercised by a proxy, proof of authorisation must be provided in text form. Please note that the **special proxies cannot be authorised to exercise the right to information and/or to speak**.

The shareholders are **kindly requested to submit their questions prior the Annual General Meeting in text form by email to fragen.snt@hauptversammlung.at** in such a manner, that these reach the Company by **2 June 2021** at the latest. This will enable the Management Board to prepare as thoroughly as possible and to answer your questions as quickly as possible. This serves to expedite the Annual General Meeting and is in the interest of participants who wish to follow the Annual General Meeting from the beginning to the casting of votes.

The shareholders also have an opportunity **during the Annual General Meeting** to submit their questions and contributions electronically to the Company in text form via email to the email address fragen.snt@hauptversammlung.at of the Company. Please note that **the Chairman may set time limits for submissions during the Annual General Meeting**.

In this respect, the Chairman may, if necessary, order and expressly state that the written statements of the shareholders, if their reading is requested, may not exceed a certain length. If this limit is exceeded, the Chairman or the member of the Management Board, reading out the shareholder's statement at the Annual General Meeting, may shorten it accordingly, provided that the shareholder himself does not shorten it.

In principle, it is planned to read out and answer the questions received from the shareholders pursuant to section 118 of the Stock Corporation Act (*Aktiengesetz*) and in consideration of the above-stated.

Convocation

In all other respects, reference is made to the provisions of the convening notice from **7 May 2021**, in particular the requirement for timely transmission of the deposit confirmation for the exercise of shareholders' rights in the virtual Annual General Meeting on **8 June 2021**.
